This Month's Events

2025 Network Observability Summit: Call For Speakers

Broadcom will host the 5th annual Network Observability Summit on June 4, 2025. As usual, we invite our valued customers to share their stories with their peers. In this virtual event, sessions are approximately 20 minutes long and are a simple Q&A with a Broadcom moderator - No PowerPoint is required! Please contact [Nerissa Traola](#) if you are interested in participating.

ONUG Summit Spring 2025

Unleashing the Power of AI in Enterprise Infrastructure and Applications

May 28-29, 2025 Hyatt Regency Dallas @Reunion Tower

This premier conference bridges the gap between today's IT infrastructure and the transformative potential of AI. **Jeremy Rossbach**, Chief Technical Evangelist - NetOps will talk about the Maturity Model Framework for a Successful AI-Driven NOC.
